	Proposed Amendment of Section 8 of the Legal Practitioners' Regulation, III of 1884.	
1	From the Registrar of the Chief Court, No. 2559—143, dated the 5th November 1904. States that the proceedings of the Chief Court of the 24th January 1903, empowering certain 2nd Grade Pleaders to practice in the new Sub-Courts of Hassan, Chitaldrug and Chikmagalur, have been cancelled, but that the Chief Court would recommend the amendment of Section 8 of the Legal Practitioners' Regulation so as to empower 2nd Grade Pleaders to practice besides in the Munsiff's Court in which they may be enrolled and in the Magisterial Courts in the Courts of Sub-Judges also in small cause cases or in cases in which a Munsiff would ordinarily have jurisdiction.	J. F. 149 of 1902-03.
2	To the Registrar of the Chief Court, No. J. 1399—Legis. 20-2, dated the 30th November 1904. States that the Government consider the proposed change unnecessary as the Chief Court would not recommend any alteration of the Regulation so recently as in July 1903 and as there is no dearth of legal practitioners with higher qualifications.

ABSTRACT TABULAR STATEMENT, PART B,

OF

PROCEEDINGS OF THE GENERAL AND REVENUE DEPARTMENT FOR NOVEMBER 1904.

MATTERS OF ROUTINE.

PRISONS.

Serial No. of File	Number and date of letter and contents.	References.
	FILE No. 106 of 1903-04.	
	Revision of the Mysore Jail Manual.	
1	From the Officiating Inspector General of Prisons in Mysore, No. 1337, dated the 23rd November 1903. Reports that the existing Jail Manual is out of date, unsystematic and often misleading and that a revision of the same is necessary for the proper and systematic regulation of Jail procedure. [Enclosures, correspondence that passed between himself and the Superintendent, Bangalore Central Jail, (which was returned with Serial No. 2, *infra*,) and one pamphlet.]	
2	To the Inspector General of Prisons in Mysore, No. 1290—J., dated 22nd December 1903. Observes that a knowledge of the requirements of the Department is necessary to enable the Jail Manual being satisfactorily revised, and requests that such revision may be taken in hand in his own office and the revised draft then submitted to Government in the Legislative Department for scrutiny.	
	Endorsement to the Legislative Department, No. 1291, dated 22nd December 1903. Forwards copy of Serial No. 2 for information.	
3	From the Officiating Inspector General of Prisons in Mysore, No. 459, dated 25th May 1904. States that only a pencil draft of two chapters has just been completed, and that as the work is being carried out in addition to the current work of his office, it cannot possibly be finished within a short time.	
4	To the same Officer, No 852 J., dated 30th September 1904. Enquires what further progress has been made in the matter and when the work is likely to be ready for transmission to the Secretariat.	
5	From the same, No. 1076, dated 4th October 1904. States that his office which consists of only four hands could not advance matters better than what they have done, and that, if it is the intention of Government that the revision should be on the lines of the British India Jail Manuals, the appointment of a whole-time officer with the requisite experience is necessary, and that with proper assistance given him, the work would take one year or so to complete.	
6	To the same, No. 1114 J., dated the 7th November 1904. Requests him to do the work as expeditiously as possible, to obtain the help of the Superintendent, Central Jail, or the District Medical Officer, Mysore, if necessary, and to report when it may be finished.

	Escapes of Prisoners from the Jail.	
1	From the Inspector General of Prisons in Mysore, letter No. 958 J., dated the 14th September 1904.	
	Reports the escape of a prisoner named Putta *alias* Thopanaeera, No. 6777 of the Mysore Jail, at about 1 P. M. on the 12th September 1904, and states that a detailed report has been called for from the Superintendent, Mysore Jail, which, on receipt, will be submitted for the information of Government.	
2	To the Inspector General of Prisons in Mysore, Government Proceedings No. 737 J.,—Pr. 19-2, dated the 17th September 1904.	
	Records the above with the remark that the further report promised is awaited.	
3	From the Inspector General of Prisons in Mysore, letter No. 1078—J., dated the 4th October 1904.	
	Reports that minute enquiries were held in the matter, that the temporary warder Gulam Dastagir, who was found to be responsible for the escape of the prisoner in question was dismissed from service and that due precautions have been taken to prevent such escapes. (Enclosure 1 and 1 file.)	
4	To the Inspector General of Prisons in Mysore, Government Proceedings No. 1185 J., dated the 11th November 1904.	
	Records the above with the observation that dismissal alone is not an adequate punishment, that the warder should have been prosecuted and that it is presumed that due intimation of the convict's escape was given to the Police.	
	FILE No. 23 of 1904-05.	
	Irregularities in the Bangalore Central Jail.	
4	From the Inspector General of Prisons in Mysore, letter No. 1116—J., dated the 28th October 1904.	File No. 23 of 1904-05, Serial No. 1 & 2, B. September 1904.
	Forwards for such orders as the Government may deem fit to pass, a copy of letter No. 550, dated the 25th idem, from Mr. G. Hume Wright, Superintendent of the Central Jail, requesting that the censure passed on him in Government Proceedings No. 844 J.—Pr. 23-2, dated the 28th September 1904, may be recalled, as he does not deserve the same for the reasons stated by him.	
5	To the same, Government Order No. 1281 J., dated the 18th November 1904.	
	Records the above with the remark that Government view with surprise the incapacity of the Superintendent to see his own errors even when pointed out and decline to modify their observations made in para 3 of their Order No. J.844—Pr. 23-2, dated the 28th September 1904.	
	FILE No. 119 of 1903-04.	
	Memorial addressed to H. H. the Maharaja by 1 Gows Sab, 2 Abdul Kareem, 3 Abdul Gaffer, and 4 Abdul Rahim, appellants in Criminal Appeal Case No. 216 of 1903-04, on the file of the Chief Court.	
1	From the Registrar of the Chief Court, No. 2327—131, dated the 14th October 1904.	
	Forwards the memorial and states that the Sessions Judge of Bangalore has been asked to suspend the sentence of death passed on the 1st two.	
2	To the Registrar of the Chief Court, No. J. 1302—C. 119, dated the 21st November 1904.	
	Forwards for information of the Judges of the Chief Court and for communication to the memorialists, copies of order passed by His Highness the Maharaja declining to interfere. Enclosure, entire records.	
	FILE No. 28 of 1904-05.	
	Repairs to the Bangalore Central Jail.	
1	From the Inspector General of Prisons in Mysore, letter No. 1031—J., dated the 29th September 1904.	
	Submits for sanction a plan and an estimate received from the Superintendent, Bangalore Central Jail, amounting to Rs. 2,052 for constructing a partition wall of sufficient height in the female prison of the Bangalore Central Jail and executing certain repairs to the Matron's quarters therein. (Enclosures 3.)	

Serial No. of File	Number and date of letter and contents.	References.
2	To the Secretary, Public Works Department, letter No. 983 J., dated the 21st October 1904. Forwards a copy of the above with the plan and the estimate received therewith and enquires whether he can provide funds for the work being carried out during the current year, and states that if this be not possible, provision may be made in the next year's budget. Endorsement to the Inspector General of Prisons, No. 984 J., dated the 21st October 1904. Forwards a copy of Serial No. 2.	
3	From the Chief Engineer and Secretary to Government, Public Works Department, No. 6511, dated the 5th November 1904. Forwards for information a copy of his letter No. 6310, dated the 4th November 1904, to the Superintending Engineer, Eastern Circle, informing him that the estimate for constructing a partition wall in the female prison of the Bangalore Central Jail is sanctioned for Rs. 1,839 with full appropriation under Original, Civil Buildings, that the said work may be put in hand and carried out as early as possible and that the second work for repairing the Matron's quarters therein may be disposed of by himself.	
4	To the Inspector General of Prisons in Mysore, No. 1210 J., dated the 12th November 1904. Communicates the above.

1	From the Inspector General of Prisons in Mysore, letter No. 1077 J., dated the 4th October 1904. States that accommodation in the present Taluk Lock-up is insufficient for all classes of prisoners and requests that a separate building may be constructed at a cost of Rs. 2,828, the present building being utilized for Police purposes. (Enclosure, a plan and an estimate with a file of vernacular records.)	
2	To the Chief Engineer in Mysore and the Inspector General of Prisons in Mysore, Government Proceedings No. 1172-3 J., dated the 10th November 1904. Forwards the plan and the estimate with the original file of papers received with the above, to the Chief Engineer with the request that the work may be carried out during the present year if funds are available.

Rewards to Police Officers.

FILE No. 78 OF 1904-05.

Letter No. 1998—224, dated Bangalore, 15th October 1904, from F. E. C. Carr, Esquire, Inspector General of Police in Mysore, to H. K. Venkata Varada Iyengar, Esquire, Secretary to the Government of His Highness the Maharaja of Mysore in the General and Revenue Department.

Serial No. 1.

I have the honor to forward herewith copy of letter No 154, dated 24th ultimo, from the District Superintendent of Police, Kolar Gold Fields Circle, recommending the grant of rewards to Inspector Simon Reuben and two other informants for their good services in the Ajjipalli Murder case within the limits of the Kolar Gold Fields.

2. This was an important case which ended in conviction. Inspector Reuben, Head Constable Krishnasami Iyengar and 2nd class constable Munisami worked intelligently and took prompt action for the arrest of the accused who had absconded.

3. The services of Head Constable Krishnasami Iyengar and 2nd class constable Munisami have been recognised by confirming the former and promoting the latter.

4. The District Superintendent of Police, Kolar Gold Fields, commends the services of Inspector Reuben who investigated the case from the commencement and of the two Korachar informants who gave information regarding the whereabouts of the accused, and recommends that money rewards of Rs. 50 to the Inspector and Rs. 20 to each of the informants may be given.

5. Under the circumstances, I beg to recommend that a reward of Rs. 30 to Inspector Reuben and Rs. 15 to each of the Korachar informants noted in the margin, may be sanctioned.

Govindco, Pachhiga.

6. I request that you will be so good as to move Government to sanction the rewards, as they are above my powers of sanction.

ENCLOSURE TO SERIAL NO. 1.

Letter No. 154, dated 24th September 1904, from P. B. Thomas, Esquire, District Superintendent of Police, Kolar Gold Fields, to F. E. C. Carr, Esquire, Inspector General of Police in Mysore, through the Deputy Commissioner.

In forwarding herewith a report of the B. Division Inspector and a reward roll, I have the honor to request that the rewards recommended by me may be sanctioned.

2. The case was not an easy one. I visited the spot immediately and found that the accused had absconded in the middle of the night immediately after the commission of the offence. There was nothing whatever to show how, or in what direction he had absconded. Local enquiries proved of no avail except to reveal the fact that the accused was a native of the Salem District. It was not till nearly two months after the commission of the offence that the accused was arrested in Salem by Head Constable Krishnasami Iyengar with the aid of the two informants mentioned in the reward roll.

3. Head Constable Krishnasami Iyengar has been rewarded by promotion to the rank of Head Constable. He worked remarkably well, as the arrest was a matter of great difficulty and the accused was fully aware that he was being hunted down.

4. The work of the two informants was very good and they must be suitably rewarded. They are both Korachars, and without their help the arrest would have been absolutely impossible.

5. Inspector Mr. Reuben worked very well indeed; without his constant supervision, communication with the Tirupatur Inspector and personal keeping up to the mark of every body concerned, the arrest would never have been made. He had besides, all the work connected with the preliminary investigation and the prosecution of the case to a successful issue in the Courts.

To the Inspector General of Police in Mysore and Comptroller, Mysore Government, Government Proceedings No. J. 1326-7—Police 78-2, dated Bangalore, the 22nd November 1904.

Serial No. 2

The Inspector General's recommendation is sanctioned with the observation that to justify the grant of a reward to Police officers the services rendered by them must be something very special and must be described in detail. Simply because a Police officer's labours meet with success and detection, he should not be made to expect a reward. Intelligent and prompt action which are expected of every Police officer, do not by themselves seem to justify the grant of a reward.
